2018 Back To The Basics

God's Vision and Mandate

- **Build** – We must have a healthy and **intentional** focus on foundational and missional principles that has been assigned to the church by God Himself (**Discipleship and Soul Winning**)
- **Develop** – If our mission is to draw men/women/children to Christ – we must first dribble before we do a layup. **Discipleship and Soul Winning** has to be our DNA and lifestyle
- **Win** – Winning is about being confident in our walk with God. We must ensure we can effectively share the faith and the Good News/The Gospel unapologetically and be used to help others live the blessed life
